

# A Day Back Home

Written and illustrated by Debbie

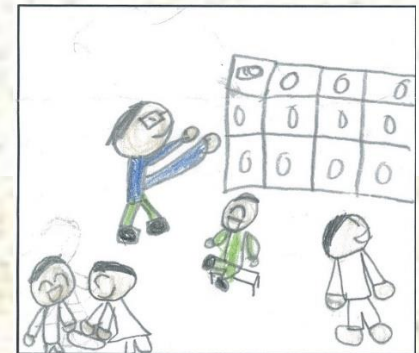

On a beautiful sunny Saturday, a man arrived at a crowded shopping mall. The man came from Taiwan. He was interested in meeting his best friend there.

First, the man spotted a girl in a huge book shop. She was reading a book called 'At the Sea'. He was happy because the girl shared the book with him.

Next, the man met a boy in a shoe shop. The boy was looking for shoes. The man helped the boy. He was happy because he helped the boy find some new shoes.

Then, the man saw his best friend, Tony. He was in an electronic shop. The man asked, "Tony! Are you looking for an electronic device?" Tony shouted excitedly, "Yes, I am! Let's look for it together!" He bought a camera.

In the end, the man went home. He was happy because he met his best friend. What a good day!
