On a beautiful sunny Sunday, Pikachu teleported to Pokémon Fun Land. He had to pay for a ticket. The ticket cost ten cents. He had just enough money.

First, Pikachu went to the Ocean Theatre. He saw Squirtle the Pokémon doing some water tricks. Pikachu brought some popcorn and hotdogs from home. Squirtle did water tricks for him.

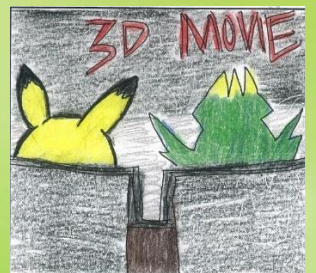

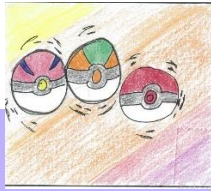

Pikachu was amazed. "I can do some electric tricks!" Pikachu declared boastfully. "What? That was amazing!" Squirtle exclaimed in shock. After that, they met Guzzlord the Pokémon. They brought some stuffed toys with them. Then, Guzzlord did an ice trick. Pikachu felt surprised.

Next, Pikachu and Guzzlord went to watch a movie in their Pokémon balls. Pikachu was tired. Guzzlord took out a Wi-Fi ball and giggled in laughter. Pikachu made good friends that day...

Are they really good friends? He was actually trying to stop someone who was trying to hack their Wi-Fi. They thanked Guzzlord. They lived happily ever after.
