

Meeting the Korean Stars

Written and illustrated by Ranjana

On the 12th August 2017, a beautiful girl named Ranjana visited a Korean shopping mall by taxi for buying dresses.

First, Ranjana spotted a Black Pink member named 'Rose' in a Beauty Salon. Ranjana was highly amazed because Rose had a microphone. She was singing a song in front of her.

Then, Ranjana saw her best friend, Tasmin Self, in the food court. She was happy because Tasmin had a purse full of money and she paid for the food for Ranjana.

After that, Ranjana spotted GOT 7's Mark Tuan in the Amazing Shoe Shop. Ranjana was so surprised because he had a rose and he gave the rose to Ranjana. "Thank you for giving me a rose!" whispered Ranjana.

"You're welcome. You are a very sweet and beautiful girl." replied Mark Tuan. Ranjana and Mark Tuan fell in love. They brought a pair of shoes for each other. MT paid for Ranjana.

After that long lovely day, Ranjana and Mark Tuan went to their cozy house. It is very warm. She felt very proud that she could meet her favorite K-Pop stars. She had a great fun day with the people she met that day, so did Mark Tuan.
