

Student Survey about the Personal Data of Students

3rd September, 2018

Dear Parents/Guardians,

Every year, the Education Bureau conducts a survey about the personal data of students. All data collected will be transferred to and used by the Education Bureau for the enforcement of universal basic education, school places allocation, statistics, planning, research or other education-related purposes. Students' personal information will be kept confidential. Please provide the information in the reply slip and return it to the class teacher on or before 5th September 2018 (Wednesday).

Remarks: 1. Students' ethnicity may not equal to nationality.

2. "Language spoken at home" means the language that students use at home in daily life.

Positive Education: Let's work together to help students develop their character strengths.

Yours sincerely,

Ms Irene Lai
(Principal)
